ROTORUA

📍 Off Road NZ

Adventure

Rotorua is home to some of the most innovative people living in New Zealand who have invented and created incredible attractions. Here you'll find the pedal-powered monorail Shweeb Racer; ziplines and swing bridges through ancient forests; ZORB giant inflatable balls; rafts down the world-famous Kaituna River; or even jet boat rides flying across Lake Rotorua. For the mild adventurer to the most hard-core action seeker, there is something for everyone.

📍 Te Pā Tū

Māori Culture

Rotorua is the best place in New Zealand to experience the customs, practices and beliefs of our indigenous Māori people. Awe-inspiring and authentic, Māori cultural tours and performances provide a special view into the historic lifestyle, traditions, mythology, art and more of Māori past and present. Watch a spine-tingling traditional pōhiri (welcoming ceremony), hear the hauntingly beautiful call of the kuia (female elder), learn to dance with poi or perform the haka. Watch as your dinner is pulled from a traditional hāngī (steam-cooked meal) straight out of the ground.

📍 Wai Ariki Hot Springs and Spa

Spa & Wellness

Living in a volcanic environment means we're surrounded by mineral-rich geothermal waters and mud, which are revered for their healing properties. Since the late 19th century, people have travelled from all over the world to seek the famed health benefits. Today, we still work with Papatūānuku (Earth Mother) to harness her geothermal activity and natural resources, which has resulted in a world-renowned spa and wellness industry.

📍 Rotorua Golf Club - Arikikapakapa

Golf

Book in for a round and enjoy a magnificent golfing experience with breath-taking scenery at one of Rotorua's golf clubs. Active geothermal areas and stunning vistas make our courses truly unique. Rotorua is a premier destination for corporate golf days with clubs close to major hotels and motels in the city, and one right next door to the Whakarewarewa Thermal Reserve and Te Puia. Come and see why one round here is never enough.
